***Response to Amendment***

1. The reply filed on 7-26-04 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): First, the response to the restriction/election does not set forth which claims are considered to read on the elected species and invention. Second the response did not include a listing of all claims ever presented and a parenthetical as set forth in 37 CFR 1.121 effective 7-30-03. For example, claims 1-13 would be listed --Claims 1-13 (canceled)--. The entire text of claim 14 would be set forth with the parenthetical --(previously presented)--. For any claim which is not deemed to read on the elected invention and species, the full text of the claim would be presented accompanied with the parenthetical --(withdrawn)--. It is noted the response of 4-12-04 also did not provide a parenthetical for all the claims. See 37 CFR 1.111. Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).
